

Kali Anti-Piracy

Price Sheet

Kali Anti-Piracy licensing fees are based on two kinds of payments: one for the initial setup and activation of each protectable product, and the second is a quarterly payment based on product price in the App Store of each given product. First quarter payment after the activation is waived and included in the initial setup fee.

	Product Price \leq \$9.99	Product Price $>$ \$9.99
Initial setup fee (one time)	\$100	\$300

Quarterly fees

	Product Price \leq \$9.99	Product Price $>$ \$9.99
Quarterly Payment	\$50	\$150

You can discontinue using Kali Anti-Piracy at any time by removing the relevant libraries and notifying Ripdev. You will be exempt from quarterly payments from the quarter following the current one.

Shall you have any questions, we will be more than happy to assist you at kaliap@ripdev.com.
